

As an innovative and internationally operating company in the field of surface coating, the GOTEC Group is a strategic partner of the automotive industry. As we are on an expansion course, we are constantly on the lookout for suitable and committed employees. Currently we are looking for the following person to support our team:

Controller (m/f/d)

Location: Almazán, Spain

Your profile:

We assume that you think and act independently and entrepreneurially, that you can organize yourself well and that you are a motivated, pragmatic team player with a "hands-on" mentality and a "can-do" attitude who is very familiar with the current Office products. In addition, we specifically expect from you:

- Degree in business administration or industrial engineering with focus on controlling/mechanical engineering
- Min. 1-3 years of professional experience, ideally in an internationally active industrial company in the automotive sector
- Proactive business partner with confident appearance towards contact persons
- Good IT & MS Office skills, especially Excel
- Spanish on native language level, good English knowledge in word and writing
- Cross-divisional thinking skills and a certain service provider mentality
- Careful and accurate way of working & high affinity for numbers

Your tasks:

If the above profile matches your skills and you can imagine proving yourself every day in the exciting environment of the automotive industry, the following tasks await you at GOTEC after intensive training:

- Participation in monthly reporting, analysis of the cost structure and in case of deviations
- Budget planning, preparation of forecasts and variance analyses
- Carrying out contribution margin, investment and profitability calculations
- Determination of manufacturing costs, machine hour and overhead rates
- Participation in the development, implementation / Support of necessary analysis tools and processes
- Support in the preparation of decision documents and presentations for management
- Development of recommendations for action and monitoring of implementation
- Support in other operational tasks in the areas of accounting and controlling

Our offer:

At GOTEC, you can expect varied and challenging activities in a dynamic team with flat hierarchies, as well as excellent professional development and promotion opportunities. Of course, we provide you with a modern workplace including technical equipment at the latest level and offer you an attractive salary package.

Take the decisive career step now and send your application documents including your salary requirements and earliest possible starting date to: hr@gotec-group.com
